

## CONVENIENT LOCATIONS

You will be fitted for your hearing aid by a Licensed Audiologist through the University of Rhode Island. URI has two convenient Speech and Hearing Centers located in Southern and Northern Rhode Island.

The **Kingston** Speech and Hearing Center is located at 25 West Independence Way, Kingston, RI 02881

The **Pawtucket** Speech and Hearing Center is located at 500 Prospect St, Pawtucket, RI 02860

## HOW IT WORKS

**Step 1:** Call OSCIL & ask for a Gift of Hearing application to be sent to you.

**Step 2:** Send back the completed application with all the required documentation (you will need to provide financial documents).

**Step 3:** An OSCIL coordinator will meet you to go over the process.

**Step 4:** Visit one of the URI Speech and Hearing Centers to get fitted.

**Step 5:** Wait for the hearing aid to arrive

**Step 6:** Head back to the URI Speech and Hearing Center for your final adjustments and go home with your brand new hearing aid!

Note: If you don't qualify for a free hearing aid, you will still be able to purchase one at a reduced cost!

There are economic guidelines for this program. OSCIL staff will work with applicants to determine eligibility and appropriate funding sources based on individual economic need.
